

Date and Time Slot Allotted	Hall	ID No	Section	Instructor and Co-Instructor	Topic	Timings	Total Duration	Discussion Timing	Case Type
Day 2, 09th November 2019 09:00 am to 10:00 am	Hall D	IC4	Cataract	Dr. Odeyar Ramanujam Balasaheb	Phacoemulsification in mature cataracts: Nuclear Cataracts, Subluxated Cataracts, Complications and Management		45 minutes	10 minutes	Advanced
				Dr. Mahesh Hongakar	Introduction and Biometry	6.5 minutes			
				Dr. Sadanand Patane	Paediatric and Cortical Cataract	6.5 minutes			
				Dr. Sameer Bagewadi	Intumescent Cataract	6.5 minutes			
				Dr. Shilpa Kodkany	Morgagnian Cataract and LIG	6.5 minutes			
				Dr. Ramanujan Odeyar	Nuclear Cataracts	6.5 minutes			
					Difficult Situations	6.5 minutes			
Dr. Sanjay Rasal	Complications and Management	6.5 minutes							
Day 2, 09th November 2019 05:00 pm to 06:00 pm	Hall E	ICS	Oculoplasty/Orbit/Lacrimal	Dr. Rvithuja Thomas	The Botulinum Toolbox – Mastering the Oculoplastic and Neuro-ophthalmic uses of Botulinum Toxin : The Basics of Botulinum	8 minutes	49 minutes	6 minutes	Intermediate
				Dr. Roshmi Gupta	Spasms and Pains: Therapeutic uses of Botulinum toxin	9 minutes			
				Dr. Moupiya Goswami	Facial rejuvenation and the Botulinum injection	9 minutes			
				Dr. Roshmi Gupta	Live demonstration and Masterclass on Botulinum toxin use	15 minutes			
				Dr. Sumitha Muthu	Tips and tricks for Botulinum toxin in strabismus	8 minutes			
Day 2, 09th November 2019 12:00 noon to 01:00 pm	Hall E	IC13	Contact Lens / Optics, Refraction	Dr. Anand Balasubramaniam	Contact lenses the art and science in Clinical practice : Armamentarium of soft contact lens in practice	8 minutes	40 minutes	15 minutes	Basic
				Dr. Deepti Meda	When the surface goes uneven its time to go rigid...The semisoft lens	8 minutes			
				Dr. Sharon	The revolutionary Mini /Semi Scleral lens	8 minutes			
					The revolutionary Mini /Semi Scleral lens				
				Dr. Pallavi	Contact lens as therapy...Cosmesis and more ... advances	8 minutes			
				Dr. Elankumaran	Contact lens usage a responsibility ...side effects complications and management...	8 minutes			
Day 2, 09th November 2019 05:00 am to 06:00 pm	Hall G	IC14	Miscellaneous	Dr. Soumya Ramani	"A Stitch in time saves nine" -Ophthalmic Microsurgical Suturing principles and Techniques : Suturing in Cataract Surgery and scleral tear suturing	8 minutes	48 minutes	7 minutes	Basic
				Dr. Divya DS	Suturing of Lid Tears	12 minutes			
				Dr. Thanuja GP	Principles of suturing and corneal tear repair	15 minutes			
				Dr. Deepti Joshi	Suturing in strabismus surgeries	8 minutes			
				Dr. Ananth Bhandary	Introduction and suture materials	5 minutes			

Date and Time Slot Allotted	Hall	ID No	Section	Instructor and Co-Instructor	Topic	Timings	Total Duration	Discussion Timing	Case Type
Day 2, 09th November 2019 05:00 pm to 06:00 pm	Hall D	IC16	Ocular Surface Disorders	<u>Dr. Pallavi Joshi</u>	Conquering the hostile ocular surface milieu : All is not lost...approach and managing dry and barren ocular surface.	10 minutes	44 minutes	10 minutes	Intermediate
				Dr. Anand Balasubramanian	Troublesome territory of altered Lids...Blepharitis management protocol's	8 minutes			
				Dr. Elankumaran	The Itchy surface ...challenges of allergic eye diseases	8 minutes			
				Dr. Kiran Kumar	The known & unknown enemy...step wise tackling the OSSN	8 minutes			
				Dr. Sharon D	Reviving the eye with chemical burns	10 minutes			
Day 2, 09th November 2019 02:00 pm to 03:00 pm	Hall E	IC17	Medical Retina	<u>Dr. Vivek Basavaprabhu Wani</u>	Upgrade your practice -How to include intravitreal injections of anti VEGF in your practice? : Stepwise guide to include IVA in your practice.	30 minutes	50 minutes	10 minutes	Intermediate
				Dr. Rajashekhar Dyaberi	The burden of vascular diseases	10 minutes			
				Dr. Anand Gannur	The available anti VEGFs and economics	10 minutes			
Day 2, 09th November 2019 11:00 am to 12:00 noon	Hall D	IC18	Medical Retina	<u>Dr. Murtidhar NS</u>	Decoding polypoidal choroidal vasculopathy : Surgical options for submacular haemorrhage due to PCV	8 minutes	40 minutes	15 minutes	Intermediate
				Dr. Hemanth Murthy	Role of laser and PDT in PCV	8 minutes			
				Dr. KS Kumar	Intravitreal anti-VEGFs in PCV	8 minutes			
				Dr. Kavitha S Rao	Introduction and Clinical features	8 minutes			
				Dr. Manjula	Multimodal imaging in PCV	8 minutes			
				Dr. Lalit K Verma	Keynote Address "Endophthalmitis	8 minutes			

Date and Time Slot Allotted	Hall	ID No	Section	Instructor and Co-Instructor	Topic	Timings	Total Duration	Discussion Timing	Case Type
Day 1, 08th November 2019 09:00 am to 10:00 am	Hall E	IC20	Refractive Surgery	<u>Dr. Vishwanath D Ankad</u>	The art of Phakic IOL implantation - Simplified : Phakic IOL's in complex situations	8 minutes	48 minutes	10 minutes	Intermediate
				Dr. Tanushree Hegde	Patient selection and preoperative workup	8 minutes			
				Dr. Raveendra Kolvekar	Pearls and pitfalls while implanting phakic IOLs	8 minutes			
				<u>Dr. Vishwanath Ankad</u>	Phakic IOLs in complex situations	8 minutes			
				Dr. Manjunath B A	Managing Post operative complications	8 minutes			
				Dr. Shivaram K V	Cataract surgery in phakic IOL patients – Biometric and operative tips	8 minutes			
Day 2, 09th November 2019 09:00 am to 10:00 am	Hall E	IC22	Squint	<u>Dr. Subramanya Kota</u>	All about paralytic squint : Introduction of Paralytic Squint	8 minutes	50 minutes	5 minutes	Intermediate
				Dr. Pratibha Panmand	Evaluation of Paralytic squint	8 minutes			
				Dr. Sowmya R	Management of 3rd nerve palsy	8 minutes			
				Dr. Chinmayee JT	Management of 4th nerve palsy	8 minutes			
				Dr. Shailesh GM	Management of 6th nerve palsy	8 minutes			

Date and Time Slot Allotted	Hall	ID No	Section	Instructor and Co-Instructor	Topic	Timings	Total Duration	Discussion Timing	Case Type
Day 2, 09th November 2019 04.00 pm to 05.00 pm	Hall D	IC23	Cornea	<u>Dr. Shivaram K V</u>	Ocular Surface Hotchpotch – Management Strategies : Chemical Burns - Commandments	8 minutes	40 minutes	10 minutes	Intermediate
				Dr. Manjunath B A	Meibomian gland disease – Management tactics	8 minutes			
				Dr. Ravindra Kolvekar	Recurrent corneal erosions and Persistent Epithelial Defect- action plan	8 minutes			
				Dr. Tanushree Hegde	Conquering Pterygium	8 minutes			
				Dr. Vishwanath Ankad	OSSN- Management options	8 minutes			
Day 2, 09th November 2019 03.00 pm to 04.00 pm	Hall E	IC24	Cataract	<u>Dr. Srikanth VN</u>	Caveats in cataract management with concurrent retinal diseases : Somethings Amiss - Picking subtle retinal clues	10 minutes	40 minutes	15 minutes	Intermediate
				Dr. Madhu Kumar R	Optimizing the retina for the cataract surgery	10 minutes			
				Dr. Kaushik Hegde	Tackling complicated cataracts	10 minutes			
				Dr. Aravind Bhat	The IDL surprise	10 minutes			
				Dr. Manali Hazarika	When the surface surprises-Ocular surface diseases	10 minutes			

Date and Time Slot Allotted	Hall	ID No	Section	Instructor and Co-Instructor	Topic	Timings	Total Duration	Discussion Timing	Case Type
Day 2, 09th November 2019 04:00 pm to 05:00 pm	Hall E	IC26	Miscellaneous	<u>Dr. Shaifali Chahar</u>	Expecting the unexpected-Mixed pot of clinical surprises faced in ophthalmology : When you least expect it - Orbit, Oculoplasty and Ocular Oncology	8 minutes			
				Dr. Rohini Kolari Waddinavar	Not a child play-Paediatric ophthalmology	10 minutes			
				Dr. Fairouz P	Oculoplasty and ocular oncology #2	8 minutes			
				Dr. Geethanjali CJ	Solving the mystery of the nerve-Neuro-ophthalmology	10 minutes			
Day 2, 09th November 2019 02:00 pm to 03:00 pm	Hall D	IC27	Medical Retina	<u>Dr. Chaitra Jayadev</u>	Do I need to refer to a retina specialist? - Intra vitreal injections - can I do it myself?	8 minutes	48 minutes	7 minutes	Basic
				Dr. Guruprasad AS	Sudden vision loss - when to refer stat?	8 minutes			
				Dr. Prashant Bawankule	Diabetic retinopathy - when is the right time to refer?	8 minutes			
				Dr. Anand Vinekar	Pediatric Retina - what can I manage and what not?	8 minutes			
				Dr. Poornachandra B	Pre cataract screening - retina opinion when?	8 minutes			
				Dr. Sherina Thomas	Peripheral retinal degenerations - observe or refer?	8 minutes			
Day 1, 08th November 2019 11:00 am to 12:00 noon	Hall E	IC29	Medical Retina	<u>Dr. Hagede Sharat Shivaramiah</u>	Unwell Retinitis: Diagnosis and Management : Retinitis - Definition and classification	10 minutes	40 minutes	10 minutes	Intermediate
				Dr. Jacob Chacko	Viral Retinitis	10 minutes			
				Dr. Shylaja Bhat	Tb Retinitis	10 minutes			
				Dr. Anupama	Protozoal Retinitis	10 minutes			
Day 2, 09th November 2019 11:00 am to 12:00 noon	Hall E	IC31	Squint	<u>Dr. Arun Samprathi</u>	STRABISMUS FOR ALL : Principles of Surgical Management	8 minutes	40 minutes	15 minutes	Basic
				Dr. Deepthi Joshi	Evaluation of strabismus made easy	8 minutes			
				Dr. Sowmya R	Approach to Esotropias	8 minutes			
				Dr. Kavitha V	Decision making in Exotropias	8 minutes			
				Dr. Muralidhar Rajamani	Algorithm for Vertical Strabismus	8 minutes			

Date and Time Slot Allotted	Hall	ID No	Section	Instructor and Co-Instructor	Topic	Timings	Total Duration	Discussion Timing	Case Type
Day 2, 09th November 2019 12:00 noon to 01:00 pm	Hall D	IC32	Cataract	Dr. Kumar K S	Post cataract surgery endophthalmitis- preferred practice pattern : vitrectomy in endophthalmitis : Do's and Don't's	8 minutes	40 minutes	15 minutes	Intermediate
				Dr. A.S.Guruprasad	Predisposition, high risk cases & endophthalmitis protocol	8 minutes			
				Dr. NS Muralidhar	First line of attack in endophthalmitis	8 minutes			
				Dr. Mahesh Shanmugam	Recent advances in management of endophthalmitis	8 minutes			
				Dr. Praveen Murthy	Hearing the hoof beats - early diagnosis	8 minutes			
Day 2, 09th November 2019 10:00 am to 11:00 am	Hall D	IC33	Glaucoma	Dr. Vikram Jain	Glaucoma Surgery Simplified : The art of Trabeculectomy	20 minutes	42 minutes	12 minutes	Intermediate
				Dr. Shibhi Dev	Improving Success	8 minutes			
				Dr. Anuradha A	Over and Under Filtration	8 minutes			
				Dr. Kamala Mahesh	When Trab is not enough	8 minutes			
				Dr. Nita KIR	When Trab is not required	8 minutes			
Day 2, 09th November 2019 09:00 am to 10:00 am	Hall C	IC34	Miscellaneous	Dr. Kavitha CV	Ocular drug delivery - How? What? Why? Where? - A VAST : 1)Introduction & Ocular barriers - Guards to the entry 2)Topical Route- Novel formulations - The future.	14 minutes	50 minutes	5 minutes	Intermediate
				Dr.Pavana Krishnaraj Acharya	1)Topical Route: Conventional formulations - Time tested, 2)Subconjunctival and Subtenon Route - Easy way out.	13 minutes			
				Dr. Anitha S Maiya	1) Intrastromal and Intracameral Route - To the point 2)Retrolbulbar and Peribulbar route - For Anaesthesia	10 minutes			
				Dr. Nidhi Dubey	Intravitreal Route - Then & now!	8 minutes			
				Dr. Lakshmi.B.R	Systemic Route - Complete coverage.	5 minutes			
Day 1, 08th November 2019 04:00 pm to 05:00 pm	Hall E	IC36	Ocular Surface Disorders	Dr. Mallikarjun M Herajal	Dry eye management: All you wanted to know : Venturing into newer treatment modalities in dry eye- a world beyond lubricants	11 minutes	50 minutes	5 minutes	Intermediate
				Dr. Manali Hazarika	Clinical implications of inflammation in dry eye disease management.	10 minutes			
				Dr. Hariprasad Vokuda	Dry eye screening for refractive surgery - Optimising outcomes	11 minutes			
				Dr. Sulatha Bhandary	Viewing dry eye through the prism of cataract and retinal surgery	7 minutes			
				Ms. Rinu Thomas	Contact lens and dry eye - Frenemies	11 minutes			
Day 1, 08th November 2019 03:00 pm to 04:00 pm	Hall E	IC38	Medical Retina	Dr. Anupama Bappa!	Mysterious macula made easy:basics for postgraduate students: How macula is different from rest of the retina	8 minutes	40 minutes	10 minutes	Basic
				Dr. Shailaja	Clinical evaluation of macula	8 minutes			
				Dr. Jyothsna	FFA	8 minutes			
				Dr. Divyalakshmi	OCT	8 minutes			
				Dr. Minija	FAF/OCTA	8 minutes			

Date and Time Slot Allotted	Hall	ID No	Section	Instructor and Co-Instructor	Topic	Timings	Total Duration	Discussion Timing	Case Type
Day 1, 08th November 2019 02:00 pm to 03:00 pm	Hall E	IC39	Miscellaneous	Dr. Sumitha M	Eyes that elude the mind - Missed and misdiagnosed eye diseases - Tips for general ophthalmologists ; Crossed eyes that falls to cross the mind	9 minutes	52 minutes	4 minutes	Intermediate
				Dr. Abdul Rawoof	What went wrong behind the eye	9 minutes			
				Dr. Poornachandra	Deciphering dystrophies of retina	9 minutes			
				Dr. Anand Vinekar	Babies day out – Subclinical findings in infant retina?	8 minutes			
				Dr. Roshmi Gupta	Look out for that innocent appearing lesion	9 minutes			
				Dr. Ankush Kawaii	Masquerades in Uvea	8 minutes			

Date and Time Slot Allotted	Hall	ID No	Section	Instructor and Co-Instructor	Topic	Timings	Total Duration	Discussion Timing	Case Type
Day 2, 09th November 2019 10:00 am to 11:00 am	Hall E	IC40	Squint	Dr. Vidhya C	Video assisted learning of strabismus evaluation and management : 1. Evaluation of a child with strabismus	10 minutes	42 minutes	13 minutes	Intermediate
				Dr. Sowmya Ramani	2. Accomodative esotropia and its management	8 minutes			
				Dr. Sunaiana Bhat	3. Exotropia and its management	8 minutes			
				Dr. Deepthi Joshi	4. Managing associated oblique overactions	8 minutes			
				Dr. Vidhya C	5. Glance into complex strabismus	8 minutes			
Day 1, 08th November 2019 09:00 am to 10:00 am	Hall D	IC43	Cataract	Dr. Megur Bharathi D	Posterior Capsule Tear Management and Anterior Vitrectomy techniques – Mastering the Critical Skills : Anterior Vitrectomy- Goals ,Principles & technique.	5 minutes	45 minutes	10 minutes	Intermediate
				Dr. Bharathi Megur	Instrumentation and setting up the vitrectomy unit.	8 minutes			
				Dr. Deepak Megur	Over view of Principles of Management of a PC tear.	8 minutes			
				Dr. Krishnaprasad R	Converting from Phaco to SICS –The Ball out option	8 minutes			
				Dr. Praveen Murthy	Anterior Vitrectomy by pars Plana Approach.	8 minutes			
				Dr. HM Ravindranath	IOL placement after PC rent –Sulcus or in the bag	8 minutes			
Day 1, 08th November 2019 02:00 pm to 03:00 pm	Hall D	IC44	Cataract	Dr. Ravindra M S	Refine your MSICS. A step by step video upscaling of Phacosection : Upscaling of Phacosection	30 minutes	30 minutes	25 minutes	Advanced
Day 1, 08th November 2019 10:00 am to 11:00 am	Hall D	IC45	Cataract	Dr. Satya Murthy K V	PERFECTING CAPSULORHEXIS IN PREMIUM IOLs – A VIDEO COURSE : Course introduction and femto rhexis	12 minutes	46 minutes	9 minutes	Advanced
				Dr. Krishnaprasad Kudlu	2. Perfect rhexis the regular way	7 minutes			
				Dr. Deepak Megur	3. Perfect Rhexis in difficult situations	10 minutes			
					4. Corneal markers and perfect Rhexis				
				Dr. Shreesha Kumar	5. Image guided Rhexis and innovative method in intumescent cataracts	10 minutes			
Dr. Elankumaran	Zepto Rhexis	7 minutes							
Day 2, 09th November 2019 03:00 pm to 04:00 pm	Hall D	IC46	Medical Retina	Dr. Raju Sampangi	Common treatable macular disorders : Post op Cystoid macular edema- prophylaxis and treatment	8 minutes	43 minutes	12 minutes	Intermediate
				Dr. Shrinivas Joshi	Diabetic Macular edema- Simplified management guidelines	7 minutes			
				Dr. Hemalatha B C	CSR- Common and uncommon presentations	7 minutes			
				Dr. Sunil Ganekal	Macular edema associated with Vein Occlusions- Knowing the difference	7 minutes			
				Dr. Madhu Kumar R	ARM-D- Dry and Wet what to do?	7 minutes			
				Dr. Rajesh R	Macular hole, Pseudoholes and ERMs- Miss them not but manage effectively	7 minutes			

Date and Time Slot Allotted	Hall	ID No	Section	Instructor and Co-Instructor	Topic	Timings	Total Duration	Discussion Timing	Case Type
Day 1, 08th November 2019 03:00 pm to 04:00 pm	Hall D	IC48	Surgical Retina	Dr. Divyansh Kailash Chandra	When & what to do in Retinal Vascular occlusion : Investigation in cases of Retinal Arterial occlusion / Vein occlusion, what & when to do	10 minutes	50 minutes	10 minutes	Intermediate
				Dr. Raju Sampangi	When & what to do in BRVO	10 minutes			
				Dr Gladys Rodrigues	When & what to do in CRVO/ HRVO	10 minutes			
				Dr. Mahesh Shanmugam	Surgical management of Retinal Arterial Occlusion, when & what to do	10 minutes			
				Dr. Rajesh R	Management of cases of Retinal Inflammatory vascular occlusion, when & what to do.	10 minutes			
Day 1, 08th November 2019 04:00 pm to 05:00 pm	Hall D	IC50	Surgical Retina	Dr. Mahesh P Shanmugam	Rhegmatogenous Retinal detachment - complications and management - PVR - Extreme retina, is it worth the attempt?	10 minutes	50 minutes	5 minutes	Advanced
				Dr. Rajesh R	Recurrence - common causes and remedies	10 minutes			
				Dr. Raju Sampangi	Retinotomy and Retinectomy	10 minutes			
				Dr. Divyansh	Buckle and its modifications	10 minutes			
				Dr. Thirumalesh	Primary vitrectomy for RRD	10 minutes			
Day 1, 08th November 2019 10:00 am to 11:00 am	Hall E	IC52	Glaucoma	Dr. Santhya Rajendra Prasad	A guiding pathway into the investigations in glaucoma :The circle of decision - Disc changes in glaucoma	8 minutes	54 minutes	6 minutes	Intermediate
				Dr. Jyoti Shetty	Probing the probability - UBM in glaucoma	10 minutes			
				Dr. Deepak Megur	The mirrors and within in glaucoma - All you need to know about gonioscopy	10 minutes			
				Dr. Sheetal Ballal	IOP measurement in glaucoma	8 minutes			
				Dr. Shibiudev	Colours and maps - OCT in glaucoma	8 minutes			
				Dr. Neeta KIR	The scene behind the unseen - anterior segment features and findings in glaucoma	10 minutes			
Day 1, 08th November 2019 11:00 am to 12:00 noon	Hall D		Decoding Refractive Procedures	Dr. Elan kumaran	Orbscan Vs Pentacam Vs Galilei	10 minutes	52 minutes	8 minutes	
				Dr. Krishna parasad Kudlu	PRK VS Laski vs smile- which is better	8 minutes			
				Dr. K.V.Satyamurthy	CXL and accelerated cxi in typical and a typical scenarios	10 minutes			
				Dr. Sunil Ganekal	PHAKIC IOLS -ICL VS IPCL	8 minutes			
				Dr. Chinnappa A.G	Presbyopic IOLS	8 minutes			
				Dr. Krishna Parasad Kudlu	Presbyond - when and how	8 minutes
